Principal's Message

Welcome to Lake Whitney Elementary School! Lake Whitney provides a great educational experience for you and your child. We have a wide range of activities and events planned throughout the school year and encourage your participation.

Successful education is a team effort among teachers, students, and parents. We look forward to working with you and your child. Please join us as team members to assure success and achievement. If you ever have any questions, please call the school office, and we'll be glad to assist you.

We would like to welcome new Lake Whitney families! We are very happy to have you and your student with us at Lake Whitney Elementary School!

Teacher of the Year

Mrs. Denise Mills, Lake Whitney's Teacher of the Year, is innovative and creative! Her music classes are filled with excitement. Our students are exposed to multiple opportunities to explore music through hands-on methods. Students love going to music for that very reason! Every grade level has an opportunity to perform what they are learning in class on stage. In addition, she conducts a fourth and fifth grade chorus which sings at area nursing homes and community events such as Light-up Winter Garden. In addition, she directs our Spring Musical. We are very proud of Denise Mills!

Support Person
OF THE YEAR

Jeremy Jones
Behavioral Tech

Mr. Jeremy Jones meets all the standard descriptions of a dedicated and model employee. If you were to see Mr. Jones (or as the kids affectionately refer to him as Mr. J) in action, you would understand why he was overwhelmingly selected as our Support Person of the Year. His willingness to always lend a helping hand to students, parents and staff does not go unnoticed. If there is a student in need of attention, Mr. J responds quickly to assist and remedy the situation. He does so in a helpful and professional manner, while acting as a positive role model for all involved.

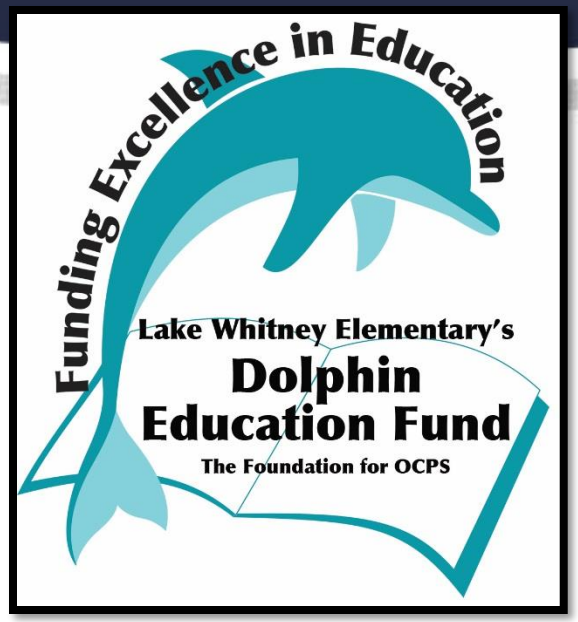
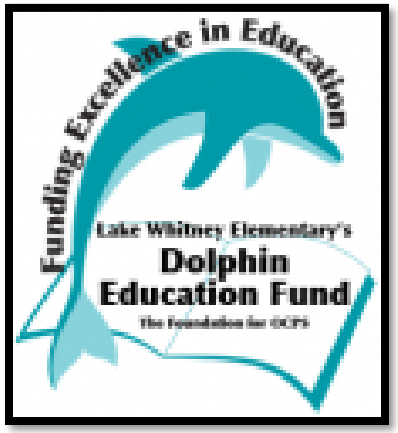
DOLPHIN EDUCATION FUND



Mission Statement:

To provide an ongoing means of philanthropy and funding to assure that our community of students, educators, and families can contribute to provide programs, resources, and strategies that maintain Lake Whitney Elementary School's leadership and excellence in elementary education and preparing our students for the future.

DOLPHIN EDUCATION FUND



2018-2019 Fundraising Goals

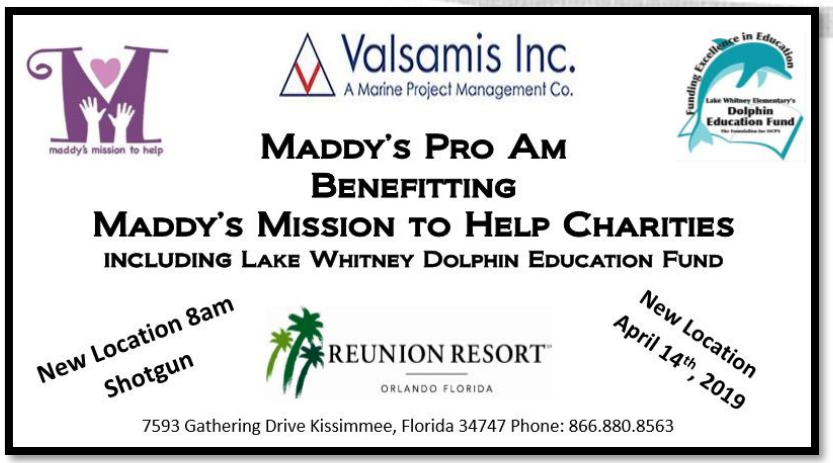
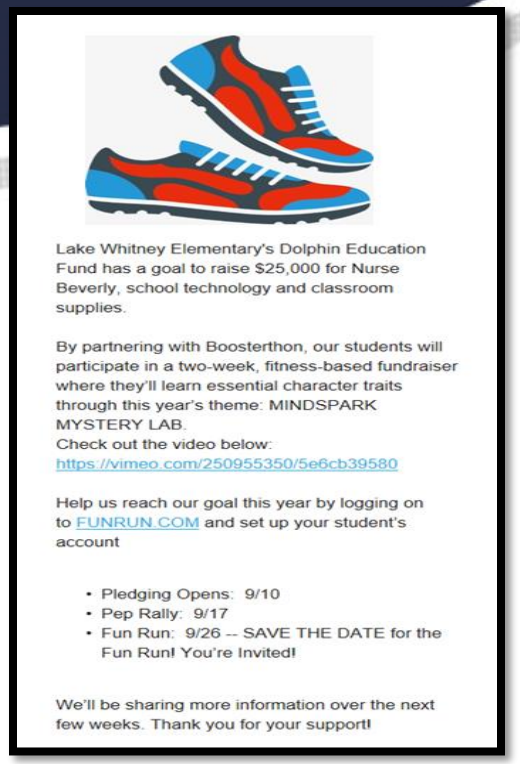
- Enhance Technology and Educational Resources

DOLPHIN EDUCATION FUND



Golf Tournament
Raised $20,000

Bucks For Band-Aids
Raised $10,000

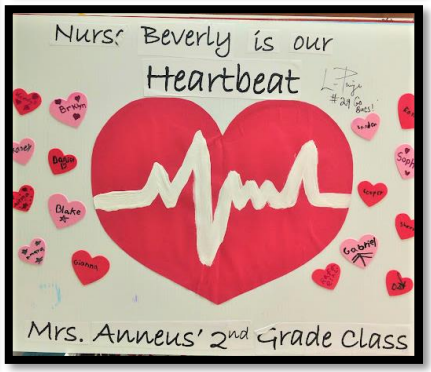


Fun Run
Raised $27,000

Please help us raise the funds we need to ensure that the children of Lake Whitney Elementary continue to have a registered nurse on campus. Our RN logs more than 9,000 clinic visits each year. Without an RN, many students would end up being sent home for tummy aches and bumped heads. Thanks to our nurse program, they can be treated and sent back to class.

DOLPHIN EDUCATION FUND

- Over 9,000 student clinic visits were logged last year.
- Only a Nurse can dispense prescription medications.
- Without a Registered Nurse students with tummy aches, bumped heads, etc. would have be sent home.



CHARACTER CLUB

One child per classroom in each grade level is chosen to receive an award for best representing the Characteristic of the month.

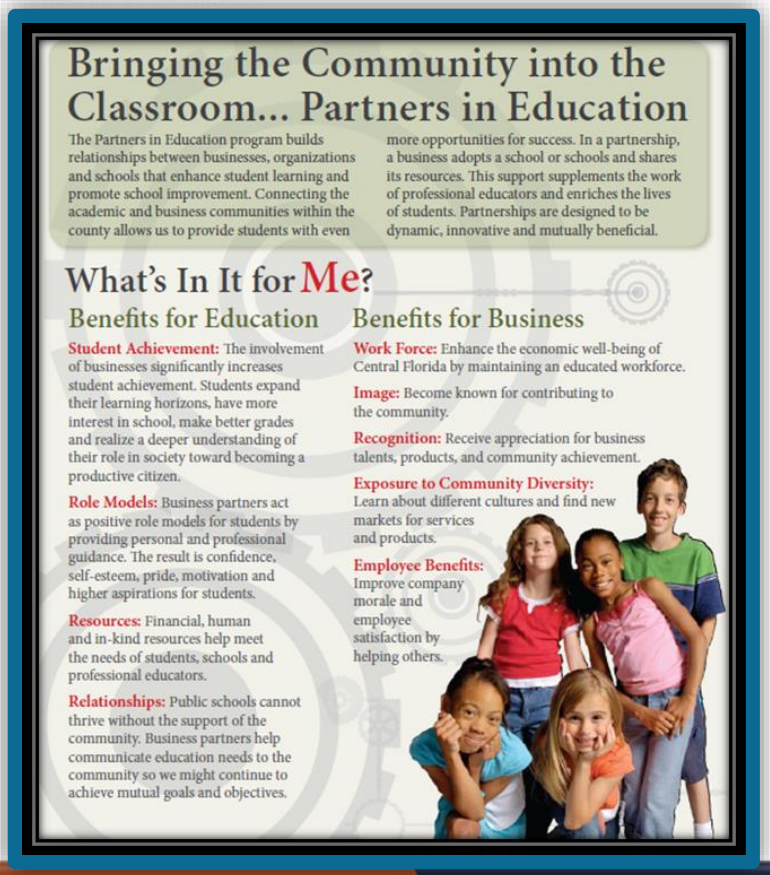
Partners IN EDUCATION

Connecting Individuals & Businesses with Schools

The Partners in Education program links businesses and organizations with schools to share resources, both in people and materials. Each flourishes from the support and prosperity of the other.



Bringing the Community into the Classroom... Partners in Education

The Partners in Education program builds relationships between businesses, organizations and schools that enhance student learning and promote school improvement. Connecting the academic and business communities within the county allows us to provide students with even more opportunities for success. In a partnership, a business adopts a school or schools and shares its resources. This support supplements the work of professional educators and enriches the lives of students. Partnerships are designed to be dynamic, innovative and mutually beneficial.

What's In It for Me?

Benefits for Education

Student Achievement: The involvement of businesses significantly increases student achievement. Students expand their learning horizons, have more interest in school, make better grades and realize a deeper understanding of their role in society toward becoming a productive citizen.

Role Models: Business partners act as positive role models for students by providing personal and professional guidance. The result is confidence, self-esteem, pride, motivation and higher aspirations for students.

Resources: Financial, human and in-kind resources help meet the needs of students, schools and professional educators.

Relationships: Public schools cannot thrive without the support of the community. Business partners help communicate education needs to the community so we might continue to achieve mutual goals and objectives.

Benefits for Business

Work Force: Enhance the economic well-being of Central Florida by maintaining an educated workforce.

Image: Become known for contributing to the community.

Recognition: Receive appreciation for business talents, products, and community achievement.

Exposure to Community Diversity: Learn about different cultures and find new markets for services and products.

Employee Benefits: Improve company morale and employee satisfaction by helping others.

Partners in Education
Orientation & Training

After each PIE is registered in the Partners In Education Management System, our PIE coordinator goes over this list with each PIE, one-on-one to discuss the following:

Partners In Education training provided one-on-one, face to face emphasizing that the key to a successful relationship between the school and the busness is finding where a school's needs and the resources of a business intersect and can be implemented in a mutually beneficial manner.

1) When businesses take part in the education of the youth within their community, they help strengthen the work force of the future. The Partners in Education program is vital in helping the community and the school system work and grow together. It truly IS a partnership!
2) The partnership needs to provide a benefit to the school, and be mutually beneficial to the business through cause-related marketing not advertising- thus no flyers in backpacks unless PIE is providing VALUE to the individual receiving.
3) In order for Lake Whitney as well as the PIE to benefit from this relationship, the expectation is participation/support/contribution to at least three activities throughout the year, which is the minimum for a partner relationship.
4) The partnership activities must fulfill a need of a school, as determined by the principal and the school's Partners in Education Coordinator.

How can I support my student?

- Encourage your child to RELAX and do his/her best.
- Be at school every day and ***on time***!!
  - If you must make a doctor's appointment, please make it for a non-testing day.
  - Make-up tests are offered but students generally perform better with their regular group.
- Be sure your child is well rested all testing days.
  - Try to reorganize after-school activities so that your child is attentive and has the energy to perform to his/her best ability on FSA.
- Eat a good breakfast on mornings of tests.
- If your child wears a hearing aid or glasses, be sure he/she remembers to use them during all testing sessions.

Can my student practice taking the test?

- Prior to administering each computer-based assessment, test administrators conduct a practice test that contains sample test items to prepare students for the item types, tools, and online interface they will encounter during testing. Practice tests are available in the FSA Portal for students to practice on their own.
- http://fsassessments.org/students-and-families/practice-tests/

How can I support my student?

- Stay involved and connected!
  - Communicate with your child's teacher regularly about his/her progress.
  - Be sure homework assignments are completed nightly.
  - Ask for ideas to help support learning at home.
- Ask your child to tell you about the books he/she is reading or the math concepts he/she is learning. Use the words **WHY, PROOF** and **EVIDENCE** often. Talk about vocabulary words.
- Offer positive support to your child.
  - A positive frame of mind will have a positive effect in any testing situation.
  - Encourage your child to do his or her best on all tests.
- Take advantage of online resources, ***particularly iReady and the FSA Portal Student and Family page.***

SCHOOL BOARD OF ORANGE COUNTY
ACKNOWLEDGEMENT REGARDING CODE OF STUDENT CONDUCT FOR SCHOOL YEAR
2018 – 2019

Student Name (please print)

School Grade

Orange County Public Schools (OCPS) Board Policy JIC, in addition to Section 1006.07, Florida Statutes, requires the adoption of a Code of Student Conduct (Code). The OCPS Code applies to all activities throughout the school, while being transported to and from school at a public expense, a reasonable time before and after school, and during school-sponsored activities.

The Code shall be discussed with students, school advisory committees, and parent/teacher associations at the beginning of each school year and quarterly thereafter and for transferring students upon their enrollment.

In order to conserve resources, schools will not distribute paper copies of the Code of Student Conduct to every student. You can locate an electronic copy of the Code online at the District website: **codeofconduct.ocps.net**, or on your school issued device for Middle and High School students. If you require a paper copy of the Code, please check the box below and return this form to your child's school. The following represents a minimal portion of information found within the Code. Students and parents are encouraged to read the Code in its entirety.

FAILURE TO SIGN THIS ACKNOWLEDGEMENT FORM WILL NOT RELIEVE A STUDENT OR THE PARENT/GUARDIAN OF THE RESPONSIBILITY FOR COMPLIANCE WITH THE CODE OF STUDENT CONDUCT OR ACCOUNTABILITY FOR LOSS OR DAMAGE TO OCPS PROPERTY.

- I have read the Safe Harbor Provision and understand that I must voluntarily turn in the prohibited item **before** an investigation has commenced.
- If I am **charged** with a felony, whether on OCPS property or in the community, I will not be eligible to participate in extracurricular/co-curricular activities.
- I may be recommended for full exclusion from all OCPS schools or placed at an alternative school for committing certain disciplinary offenses to include, but are not limited to, possession of a weapon, possession/distribution/selling of drugs, making severe threats to other students or the school, sexually harassing other students or staff, theft/robbery, vandalism, severe acts of bullying/harassment, hazing, physical attacks, and/or sexual assault.
- I understand I have the right to choose to participate in an OCPS disciplinary investigation.
- Searches of students and property will be conducted if school personnel have reasonable suspicion of a violation of the law or the Code. Reasonable suspicion is not required to conduct random searches of OCPS owned property.
- I can anonymously report any suspicious or criminal behavior I observe to the Speak Out Hotline at (800) 423-TIPS (8477), at www.speakouthotline.org, or by texting "speakout" plus my tip information to CRIMES (274637).

Print Student Name Student Signature Date

☐ Please check if you require a printed copy of the 2018-2019 *Code of Student Conduct* and return to your school.

PARENTS: THIS FORM IS SIGNED BY YOUR CHILD AT SCHOOL. THE PARENT COPY IS FOR NOTIFICATION PURPOSES ONLY. FOR PARENTS OF STUDENTS GRADES 6-12, THIS FORM IS RECORDED ELECTRONICALLY.

Dear Parents and Students:

Welcome to Lake Whitney Elementary School. This is going to be a great year for you and your child. We have a wide range of activities and events planned throughout the school year and encourage your participation.

We are providing you with this handbook as an introduction to our school policies. Please take the time to review this information and keep it handy as a reference.

Successful education is a **TEAM** effort among teachers, students, and parents. We are looking forward to working with you and your child this year. Please work with us as team members to assure success and achievement. If you ever have any questions, please call the school office, and we'll be glad to assist you.

I also want to share with you that we are excited about our school renovation project. For the most up to date information about our school renovation, please visit the LWE school website at www.lakewhit.ocps.net.

Again, welcome to our school! We are very happy to have you and your student with us at Lake Whitney Elementary School.

Sincerely,

Elizabeth A. Prince, Ed.S.

Mimi Tawil was chosen this school year as the **PTO Volunteer of the Year**. She has been a vital member of our Lake Whitney family for the past 10 years. She is a great ambassador for our school. Mrs. Tawil has been on our PTO Board, DEF Board and was in charge of our yearly Gala and Silent Auction for the past three years. She took the role as Homeroom Parent in all of her three student's classrooms over the years. She is a breath of fresh air and always has a sunny disposition. She enjoys making staff and students laugh and makes sure everyone is always enjoying their time around her. She will be leaving us this year as her youngest moves on to middle school. She will surely be missed.

Lake Whitney Elementary proudly nominated Mrs. Deborah Belser as our Outstanding ADDitions School Volunteer. Debbie became a part of the Lake Whitney family five years ago when her daughter, Ella, started as a kindergartener. Debbie quickly made a positive impact on both staff and students. She always has a sunny smile and a can do attitude. Her willingness to pitch in and help no matter what the task has made her an integral part of the Lake Whitney family. She was chosen as the **OCPS West Learning Community Adult Volunteer of the Year**.

STUDENT COMMUNITY SERVICE

SHARE THE LOVE!

The word for February is **"CARING"**

We are asking our fellow Dolphins to consider donating NEW socks, underwear, and personal care items to those in need. The donations received from this student-led collection drive will be shared with LWE families who need our help AND with One Heart for Women & Children who assist families in need throughout our community.

*Socks and underwear should be NEW and can be ANY SIZE for children, women, and men
*Personal care items **(travel sizes preferred)** such as: deodorant, shampoo & conditioner, soap, toothpaste, toothbrushes, combs, and hand sanitizer are needed
*We will also be collecting quarters to donate to those who need to ride the bus and use the laundromat

Items will be gratefully accepted at Lake Whitney between February 11-22

Thank you,
Gabby Brown & Emma Neveras
4th grade, Ms. Dasher's Class

Thank you for sharing the LOVE with those in need!

SHARE THE LOVE

4th grade Students
Gabby Brown and Emma Nevaras set up a collection drive to benefit those in need within the community

January 22, 2019

Dear Mrs. Prince,

The word for February is "Caring", and we thought it would be nice for our students to collect items for One Heart to help other families. We thought it would be fun to help our community by sharing the love. We want to ask our school family to consider donating new socks and underwear, as well as hygiene items to share with local families in need.

Since Valentine's Day is in February, we can call the program "Share the Love" and do a collection drive at school from February 11th to February 22nd. We can tell the students about the idea on the morning news and we can also send home flyers.

We hope you like this idea, because we are excited to help our community!

Thank you,

Gabby Brown & Emma Neveras

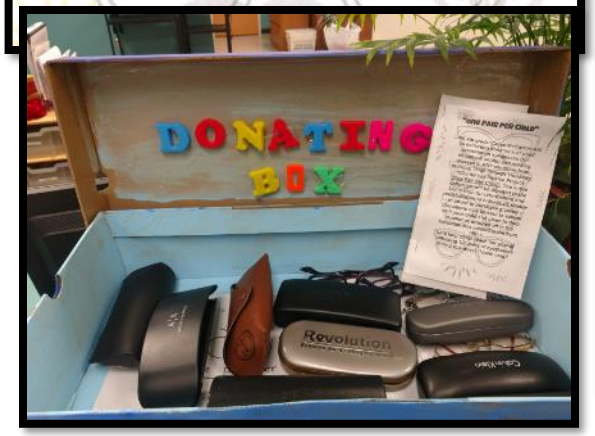
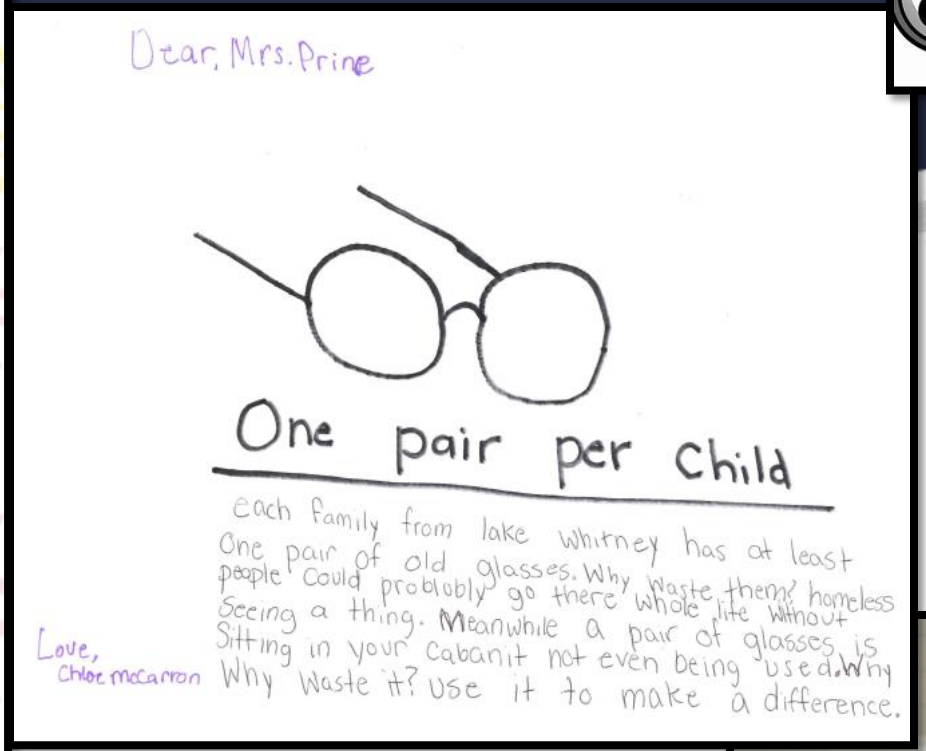
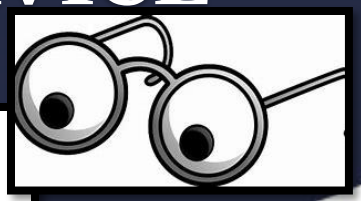
"One Pair Per Child"

LWE 4th grader Chloe McCarron will be collecting donations of used prescription eyeglasses (for children & adults) and reading glasses in ANY condition from Monday, 11/26 through Thursday, 12/20 for her Service Project: "One Pair Per Child". The entire collection will be donated to the Lions Club for refurbishing and redistribution to individuals unable to afford to purchase glasses. Donations may be sent to school with your child and given to their teacher or dropped off in the collection box located in the front office.

Lets help Chloe reach her goal of collecting 125 pairs of eyeglasses during this drive! Thank you!!!







Chloe's idea was to collect unused eye glasses to have refurbished by the Lion's Club to donate to those in need!

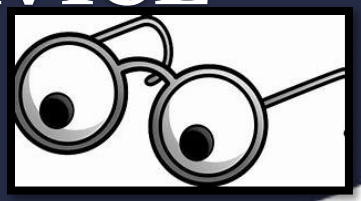
4th Grade Student at LWE

STUDENT COMMUNITY SERVICE



It is with much enthusiasm that I recommend, 10 year old, 4th grade, Lake Whitney Elementary student, Chloe McCarron for Sonny's Random Acts of BBQ.

Chloe McCarron spear headed a campus wide student driven community service project called, "One Pair Per Child". The idea came to her after she approached her mother, Jenna about wanting to make sure people had everyday items after hearing some went without. She heard about collecting prescription glasses for those that couldn't afford them. Chloe and her mom researched "glasses donations" online and found out about a program through the Lion's Club called, "Project Right To Sight". Through this project, founded in 1990, eye care professionals provide eye exams; and eyeglasses are collected, reconditioned and recycled to homeless and uninsured people in Central Florida. Glasses also are provided for vision projects around the world. Chloe and her mom decided to partner with the Winter Garden and Ocoee Clubs.

Chloe wrote a proposal and submitted her idea for a Community Service Project to our Principal Mrs. Prince. Mrs. Prince asked her to take it alittle further by presenting it to our School Advisory Council (SAC). The SAC unanimously voted that Lake Whitney would love to participate in this wonderful cause.

Chloe then began her crusade. She decorated collection boxes, she went on the school morning announcements to get the students pumped up, and she came up with a flyer to be copied and sent home to the student's families.

Chloe was hoping to collect 125 pairs, but what she received was nearly double that number. A total of 231 pairs were collected in a one-month period! Members of the Lions Club presented Chloe with two awards during the morning school announcements for her outstanding effort and participation.

Our Lake Whitney Family is in awe of Chloe!

Chloe's goal was to collect 125 pairs of glasses. She exceeded her goal and was able to donate 231 pairs!

Because of Chloe's efforts, she received two awards from the Lion's Club and was a winner of Sonny's Random Acts of BBQ!
